Aunt Evon I've always known her to be a spiritual woman. She contributed a lot to my spiritual growth as a child. She was a beautiful woman in an out. My memories or her make me smile. I love you Aunt Evon.

My mom always prayed and read the Bible everyday of my life. She was quick to answer my problems with a spiritual application. Her purpose in life was praying for others. I love my mom, she lives in my heart and with The Lord.

I met Evon when I first worked with Cheryl. I came to realize that she was a woman who knew how to pray. My husband and I enjoyed conversations with her. We now have to step up and fill in the gap she left behind with our prayers. Cheryl you have a heritage that is awesome. Continue on that path. We love you and are praying for you in this time of sorrow.
