Pandita English was a beloved member of our KINSEEKER genealogy group who meet in the Leesburg Library. She had been our Membership VP - and did a great job with her ideas to keep track of members. ALSO was very involved when our group and others were helping to digitize the 1940 Census through Family.search.org site. She had not been attending because of health issues so had not heard of her death until funeral was over. My condolences to her family and friends from myself and as Pres. of Kinseekers.
