When I went to work for SunCrest on January 16, 2012, I arrived at the front desk and no one was there. For fear of being perceived as late, I proceeded back to Wally Dant's office. The first person to see me and speak was Linda. She had her best smile on and made me feel like I was welcome, even though she did not know who I was. Over the next 2 years, I enjoyed spending time with Linda, I learned from her, I laughed and I cried with her. She will be missed, but I look forward to seeing her again someday. I am so sorry for your loss, Martee J. Harris
