Gloria, You are so much in my prayers as you and Bob have been. I will miss his smile when he came to do his labs. three years I got to know the both of you. Two very very special people. Be assured that you always know where I am when you need a friendly smile, or hug...Bob fought a hard fight as God would intended. and you as Bob called you his baby, was an awesome caregiver, standing by his side always...sending my love, connie
