## **Everline Marie Lydon**

JUN 25, 1948 - AUG 17, 2014

**E**verline Marie Lydon age 66, passed away in Leesburg, Florida on August 17, 2014. She was born in Miami, Florida and moved to the Leesburg area in 2013 from Pleasant View, Tennessee. Everline spent her life as a homemaker doing what she loved the most caring for her family. She will be remembered by those close to her for her zany antics and her love of life, laughter, and FUN! She enjoyed casinos, the lottery and an ice cold beer, but was happiest when she was cooking her homemade hot wings and eggrolls for her grandchildren who called her “G ma” and her great-grandchildren who lovingly called her “G G”. She was pre-deceased by her husband of over 33 years Michael J. Lydon.

She leaves behind to cherish her memory her sons- Michael J. (Amy) Lydon and Brian S. Lydon both of Augusta, Kansas; daughters Shelia Laramie of Augusta, Kansas; Cheryl “Sissy” Laramie Parfrey of Aurora, Colorado; and Lisa (Mike) Phillips of Pleasant View, Tennessee; Step Children- Colleen Lydon and Kelly Lydon; brothers – Ernest Raymond “Sonny” Hitchcock and William “Bubba” Hitchcock both of South Florida; Sisters -Barbara Ann Dabney, Point Pleasant, West Virginia; and Margaret Alice Garcia of Leesburg, Florida; and 10 grandchildren and 6 great-grandchildren which she adored.

As to her wishes a party celebrating Everline’s life complete with laughter, tears, and FUN was held Sunday, August 17, 2014 at the home of her sister in Leesburg, Florida.

I was lucky enough to really get to know you over the past 2 years. You kept me in stitches with your humor. We spent a few holidays together and you attended my son Kevins wedding where you danced the night away. Loved hearing you complain about my sliding doors that you fought to open. LOL. Which I fixed before your last visit. I think you knew more than you told us all. Which to all out there...listen to your body and don't ignore it. Seeing your 5 children after all these years was awesome. What you did to get them all together. You just had to show off. :) I love and miss you as all our family does. Love to Sheila, Sissy, Lisa, Michael, and Brian. And to all the grandchildren and great grandchildren. Special thoughts to Jake a nice young man with much potential. Use it wisely. ( Unc D )

Love and miss you, thanks for all the memories. One of my favorite ones was when Brenda and I took her out to eat at Poplar restaurant in Andover, she said hey Bernie look at this, and guess what, she shot me the moon. She lived life the way she wanted to.

The best job I ever had was at IGA with Evie and the rest of the girls. Never never a boring day. She was always making us laugh. I wish I would of went to see her when she was here a few weeks ago. Evie all tho I haven't seen you for a long time. I will miss you even more. You and Mom can cheer the Kansas City Chiefs together. Maybe they will play better now. Love you Evie

Mom, I will miss our daily phone calls so much. You were always there to listen to me vent when I had a bad day and to share a laugh with me when I had a funny story to tell you. Most of all I loved calling you with a Hadley story. I will make sure she grows up knowing what an awesome GG she had. My life has been forever changed. Auntie, I will miss you very much, especially your laughter and your love for life! I will be forever grateful to you for deciding to live with mom and say once again how much it meant to me and Danny that you were there with her (as I told you many times). Words cannot describe how much you've helped your sister (my mom) over the past 1 years. Thank you for just being YOU! You will forever live in my heart. I Love You Auntie....RIP!
