I am so sorry for your loss. Jessica and I did some craft shows together and when she was on top of her game she had a great sense of humor. Jessica tried so hard to fight her demons. They were just too strong for her to defeat. I sincerely pray she has found the peace she so desperately tried to find here on earth. ----- To Jessica's family I pray God help you endure the pain of loss. She will always be remembered to those of us who carry her in our heart.
