My name is Carl Powell. I met Marvin in our early teens playing softball in south Miami. We grew up together as good friends until we married (Marvin to Gay and I to Harriet) we eventually lost contact but I thought of Marvin many times but never was able to find him. I'm 78 now and really sorry I didn't try harder (my granddaughter showed me how to google the info). My sympathy to the family. Ctp82336@aol.com

Lady Lake Sda Church shared a photo to the **Tribute Wall** album.

"For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words."Your Lady Lake Seventh-day Adventist Church family is here for you and your family. We are pleading with God to comfort and give peace to your heart and mind. May Jesus come soon in the clouds of Glory to take us all home. We love you.

We will miss the many times when we shared a laugh about life. The last few years were difficult ones. As we parted he always looked forward to the next visit. The next visit will be in heaven. We look forward to hearing him shout Glory, Hallelujah one more time. Cindy, you gave your all in making his last days comfortable. God will reward you. Lamar & Colleen Young

We will miss him dearly. My wife and I knew Marvin very well and we were his neighbor and friend for many years. His wife Cindy is also a very special person and took fantastic care of Marvin when he was here. I am sure Marvin is now in a better place. WAYNE & DEB LOZIER
