It was only one summer and I confess I'm not sure what year, but it was a great time, playing canasta with your sister, my aunt, and going on that hike with Richard, collecting bottles for spending money, swimming, the movies, watching the trailer shake to Ricky's rocking...it was a great time and a good memory. From Adonis and Helen, Our condolences to the Wright family, especially his beloved wife and son. We did not know Wayne very long, but were glad to have met him about three years ago. He was a great neighbor and an important member of community. He was a very important board member of our H.O.A. He took this job seriously and was great at it. We were greatfull for his time and experience. He will be missed but will be in our hearts for a long time. God bless his soul and bring peace to his family. Amen

I remember when I came down to surprise Jr. or (III) his Sr. smiled just as hard as his son at the joy and happiness in his boys face. I loved this man who welcomed me into his family as if I was born into it. He will be missed his humor and his infectious laugh. R.I.H
