My uncle Bill was a wonderful uncle, was always good to me always listened to what I had to say, and always had kind words and good advise to give. Being so far away from me, living in Michigan and Florida, I always looked forward for a visit with him, if it was us going to see them or them coming down to see us. He was truly loved and will be truly missed. I will keep him close to me and in my heart for the rest of my day on earth and know that I will see him in heaven when I get there myself. knowing this, it gives me peace, knowing he is with god and is in a better place, and is in no pain.
