Linda always said that hair was her passion and would seek out the best education she could find in this area. In the late 70's or early 80's she was studying at Vidal Sassoon in London and Paris Her career led her to work in many interesting places and projects.

In 1976 Linda met her First love , for it was then that she gave her heart to Jesus Christ. Her ministry was prayer and she was a great prayer warrior It was her desire that anyone she met would also meet her Savior and know Him in a personal way.

Linda my Tucky Tuck was the most beautiful selfless loving woman I have ever met..I met you when I was 5 and you planted seeds that grew into a beautiful garden throughout my life..You even taught me how to weed that garden among countless other things you taught me..Even through my teenage years (as we all know how they are) you were there making sure I was headed in the right direction in Life...You touched Everyone you came in contact with..I as many others will miss everything about you.. Your unconditional love, spiritual guidance, friendship, everything.. My heart maybe be broken but I know The Lord will heal all our hearts and rejoice that you are Home with HIM..We were all truly blessed to have had you in our lives..i know your in Heaven praying for each and everyone of us..I love you with all my heart

Words fail to explain the beautiful heart I had the privilege of seeing through the life of Linda Jean Tucker. I love her wit! I love her New York accent! And I love her love and commitment to her Lord and Savior, Jesus Christ. She may be resting now, but I know her rewards are great, for she had a heart for people of every race and creed. . . and she backed it up with actions that showed her love for God: traveling near and far to pray for those in need. Joking with you and bringing a loving message about Jesus along with that wit! My favorite time for me though was when I was able to bring my husband TJ to meet her at her home in Florida. There was a lot of laughter and banter back and forth, but what a woman! She ministered to us with the love of Christ. And we are both the better and blessed for it. Linda, we look forward to seeing you again; we'll have an eternity of love and joy with Christ!- Sincerely, Cheryl Chisholm Johnson & Thomas J. Johnson

Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glint on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you wake in the morning hush, I am the swift, uplifting rush Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and weep. I am not there, I do not sleep. Do not stand at my grave and cry. I am not there, I did not die!

Linda was a breath of fresh air. She was the most beautiful flower in a garden full of beautiful flowers. Her love for the lord was infectious as she was an inspiration for me and many others. She will be missed but she is with her lord and savior Jesus Christ now so I know she is resting peacefully.
