This sweet lady enjoyed life to the fullest.....Her husband passed 4 years ago - she loved him with all her heart.As the years passed, she still talked about "Her Charlie"....and now they are together once again...holding hands, as they always did.I can not say enough good things about Marge, (as I called her).Her name is the same as mine: Marjorie, and we got along like we had known each other all our lives.Although I am sad she will not be here on earth - I am thankful she had only a short struggle going to her forever home.You will be missed my dear friend....Always.Until then.....
