Miss you so much Dave. I love you and pray for you. We fought as kids, and made up. You helped me with problems big and small, and stuck up for me without me asking or often not knowing until long after. Rose we love you and we will always consider you a member of our family, our sister.

As part of the Reid family (mine and David's Dad were brother's) we grew up going to David's house every Sunday and summer holidays. We had great cook out's and playing in the woods with all are cousins. When David got his driver's license me and my friend used to bug him to take us riding around which he would do some of the time. I would be disappointed when I would get to his house and he wouldn't be home and I would wait until he drove up in the driveway and run out to bug him for a ride. Anyway, we all grew up a close knit family and tried to stay in touch over the years as our own family's grew. I did get to see David and Rose last summer and met them for lunch in Buffalo which was really nice and I'm so happy I did. David, you will always be remembered!!!!!! Love, Karen Reid Celotto
