# Christopher "Chris" Michael Clark

SEP 29, 1975 - JUN 16, 2017

**C**hristopher "Chris" Michael Clark age 41 passed away Friday, June 16, 2017 in Leesburg, Florida. Chris was born in Sanford, Florida and moved to the Leesburg area in 2014 from Ocala, Florida. He served proudly in the United States Marine Corp, and saw service in Afghanistan and Iraq and was honorably discharged in 2004 at the rank of Sergeant. Chris will be remembered by those closest to him for his quick wit and the ease in which he made people laugh. He was an enthusiastic person who was dedicated to his friends and family. Chris loved life and his laugh could always light up any room. He was always happy and did his best to see the best in people. He loved music and could easily outshine and be the center of attention in any room with his very entertaining karaoke skills, especially 80's music. He was the star of the show. He was happiest when he was spending time with his family and friends, or in the outdoors hiking and hunting and just spending time with nature. Chris was one of a kind. He leaves behind to cherish his memory his childhood sweetheart since the age of 15 and wife of nearly 10 years Leilani; his mother Marie Girardi of Geneva, FL; step-father Bob Brown of Geneva, FL; daughter – Brianna; sons – Vinnie ; Jared ; Jonathan; Cody; brother – Vinnie Girardi of Sanford; and Sister – Melanie Girardi of Geneva, Florida.

Page-Theus Funeral Home and Cremation Services has been entrusted with all arrangements.

I had a blast getting to know Chris and his family when my husband and I traveled to Florida last year to visit my niece and family. In just a short while I got to know this great guy! We had so much fun playing the karaoke game. He knew every song! He won the game with ease! In just the short while I knew Chris it was so obvious that he loved his family and genuinely loved his friends. I look forward to getting to know you better when we all get to heaven and I'm definitely going to have to sharpen my karaoke skills. My prayers go out to family and friends. Gods grace will get you through. Love, Valerie (Kim Muller's aunt)

You often walked past my house to go to Mikeys house. I just moved in so we didn't know each other yet. My mom saw you one day and said to you "my daughter has something to tell you". (I didn't know this until 20 years later.) My mom walks inside and said "there was a boy outside that wanted to talk to you Leilani". That was the beginning of us. We stood on the front porch apparently waiting for the other to say what they wanted to say but ended up talking for hours and from that day on, our hearts were at sync together whether together or apart. Our love was young, deep and forever. I never loved anyone like i love you. You will be in my heart forever and ever. You being gone has hurt so much. I want you to walk back through the door. And everything go back to happy, painfree days. What i would give to turn back time. I would do over so much and most importantly never let u leave. You are my forever and i will be with you again. Until then my love, fly high. Be at peace and please come around as often as you can to visit, because any part of you is better then nothing. 🍷 I love you Chris!!! Please know how much 🍷
