I will always remember my time serving with Vicky in the family history center. She always had that beautiful smile and loved helping those who came in seeking their kindred dead. And it was my pleasure to have served with her in the Orlando Florida Temple. She was a great lady and will be missed. This world just lost a wonderful person. She has been welcomed into her new existence by those who knew her and went on before her. The ones left behind are so sad to be without her but there is a knowledge that we will see her again. My condolences to all family membersJean Pizarro
