Robert was a very good person, who loved his family first and could play and sing some beautiful music for the glory of God. I know he is resting and playing some good music with Cecil. Elizabeth, don't worry about Robert, he is watching over you all now and one day hopefully, we all can make that journey to a beautiful home in heaven. God Bless AND LOVE To YOU all.

I met Robert one time before his stroke and was told that I was one of the first people he asked for when he woke up. Words don't describe what kind of man he was if I could be half the man he was I will be happy. T he world lost an amazing person. I wish the best to his family. Best believe my girls will know what kind of man he was and how good of a person he was, that they shouldn't settle for anyone less than his example. Rest In Peace buddy and sing on.
