Danboy was and still is the best person I have ever met, and the only person who I trust and called my friend. If he said he was your friend and that is what he meant. He always had my back and he was a great and caring, humble person with a big heart. I have so many memories of him and I could have wrote a book about us, and no one would believe it. Some of my best memories is with him. Harold and Betty always treated me like family. I appreciate all they done and I have thirty years of good memories. Miss u so much gone but not forgotten until we meet again rest in peace my friend I love you alway
