My wife has been blessed to share countless bowling events with Jack, and learned to love and respect him because of his kindness and gentle manner. For this reason -although I have never personally had the honor to meet him- I regard him as a friend and respect him and am truly sorry to learn that he is no longer with us! I noted that he was born on the same day and month as I was, and in the same country and that he served in the military- so we share much and I shall remember a patriot and remarkable gentleman!! Very Respectfully, Major (Ret) Wulf R. Lindenau, USA
