**David M. Alber**

**Christine Smotek** lit a candle in honor of David.

We met on Facebook playing Are You Smarter Than a 5th grader and formed a friendship that I held dear. He was always there to give an encouraging word throughout our 7 year friendship. Even when he was battling his own setbacks in life he still found time for his friends and loved ones. This man was truly amazing and the strongest bravest person that I have ever had the greatest blessing of entering my life. I will miss him deeply. My deepest condolences go out to his family
