Aunt Sylvia We are so sorry for your loss. We always looked forward to seeing you when we were able to come down and see you and the family. We always remember Johnny would go out of his way to make sure he could come by the house and spend time with us we surely will miss him. As I kid when we would come down every year I will never forget Johnny would always tell scary stories around the campfire and try to scare all of us. Those were some good times for sure. We miss you so much and look forward to making it down there possibly next year and we certainly would love to stop in and see you and the rest of the family If possible. I will give you a call ahead of time if and when we are fortunate to be able to make the trip. We love you so much and may god bless you and the rest of the family. Jeff & Tracy Updyke

"Ditch the b*tchand go fishing" lol I remember Mr. Johnny saying this jokingly one day as my family and I was leaving Mama's house. We will miss you dearly Mr. Johnny. I hope you run into my father William " Bill" Updergraff up there. I know y'all will have some good times fishing and talking as you both watch over those of us still down here who miss and love you dearly. R.i.p. both of you.
