Kimberly Dreyer

DEC 4, 1987 - MAY 12, 2020

On May 12, 2020 Kimberly Dreyer, 32 years old, passed away from her year and a half battle with leukemia! She was born in Michigan and moved to Florida at a very young age. She was raised in Apopka where she graduated from Apopka High School in 2006. Kimberly had a life long passion for all animals, fostering as many dogs, and cats as she could. At 15 she started her career with PetSmart and learned to become a dog groomer by the age of 17, and she continued until she could no longer. One day she had a dream of buying her own home and having her family live all together. So 2 years ago she moved to Leesburg to fulfill her dream! She had a beautiful smile and everybody who met her would never forget her. She is survived by her long time boyfriend John Gibson, their 2 children Makenzie Grace, 7, and Tegan, 6, her father Jeff Dreyer and her mother Deidre Pomranky.

Arrangements are entrusted to Page-Theus Funeral Home and Cremation Services, Leesburg

Kim was probably one of the strongest people I had ever met. Granted I only knew her for about two years it felt like a lifetime. She made such a powerful impact on my life and was such an amazing friend. I met her while grooming with her at salon we worked at together. She was an amazing groomer and truly loved what she did. I instantly fell in love with her positivity and passion for animals and life. She fought so hard the last year and always stayed so positive through it all. She had two amazing children that she loved more than life itself. I send all my love and prayers to her and her amazing family. I will never forget her and will always love her dearly. Till we meet again.
