To the Palli family, Lee and I are saddened by the death of Bill and Patti as they were great and wonderful friends for a number of years. Bill and I played tennis for many years at the Charles River Tennis Club and about a dozen years ago or so I invited Bill to visit us to see The Villages and the game of pickle ball. They stayed with us and he loved it while Patti and Lee became great friends: shopping, Mah Jongg, golfing, and of course going out to eat. The time we spent together was precious and went by too fast. We even talked about going together to Italy when Patti recovered from some of her health problems. We will certainly miss them each and ever day. Lee and I send our deepest sympathy to all of Bill and Patti's family but especially to their sons Billy and Dean.Ken and Lee Worsley

We are so deeply saddened to get the News of Bill's passing. Patti and Bill were wonderful friends to us every time we went to The Villages. It is so unfortunate that with this pandemic we were unable to visit Bill this past year. We are going to miss both of them so much. Our deepest sympathy to their family to lose both of them within a year. We try to imagine they are happily dancing together once again.
