Christie M. Green

AUG 26, 1974 - MAR 20, 2021

Christie Green, 46, of Fruitland Park passed away March 20, 2021 at her home next to loved ones. She was born to Steven and Linda Weist in Jacksonville, FL and graduated From Forest High School where she received her diploma. She was married going on 28 years to her soul mate John Kelly Green. Christie is survived by her husband Kelly, her 2 children Taylor and Forest Green, and she lived her life for her grandchildren Abigail and Eli. Christie was a devoted Wife, mother and grandmother. She lived her life for her family, side by side with her husband during the day no matter how she felt good bad sick or healthy she was by his side keeping him together they've been together every day all day for years being each other's back bone a " Bonnie & Clyde " type of bond, and being a great nanny into the evening going on golf cart rides, having Picnics pulling weeds out their garden and enjoying cooking and painting their nails and dancing together. She loved her cactus garden and got great joy from listening to her wind chimes. Christie loved Jelly beans and skinny girl popcorn along with Wawa potato soup and Cracker Barrel chicken pot pie. Christie had numerous medical conditions but it never held her back from being the great wife, mother and grandmother she was. She is so deeply missed. Christie never wanted to be the center of attention, so her services will be private for immediate family members only at a later time.

Arrangements are entrusted to Page-Theus Funeral Home and Cremation Services, Leesburg, FL.

Aunt Chris posted:

I remember Christie being born. I was so excited to learn my Sister, Christie's mom named her after me! I can remember playing with Christie and going places with her. She even held my new baby Anthony, oh so gently. Christie is so special to me. My first born Neice. She helped me through tough times as I would help her through hers. I love you so much Christie. Heaven has a new angel. I will miss you until we meet again.
