My prayers are with your family at this very sad time. Nikki was one of the nicest, kindest person that I have ever meet. The first time I meet Nikki felt as though I had known her forever. I knew instantly that she was a special soul to everyone that she meet, Nikki meet no strangers in her life. She was full of life and shared it with everyone she was around. Nikki dearly loved her husband Lee, her son's, mother, brother, her fathers long time partner Patty Grove, and father John DeBlasis, he was the lite of Nikki's life as was Nikki to her father. I seen such love and admiration between the both of them. Nikki has and always will be daddy's little girl. God Bless Rosemary

Nikki was as bright as the sun, as mysterious as a full moon and awe of a twinkling star. She has left us the full love from her heart, the passion of her beliefs and memories and photos to fill volumes. She is the love of my life, my muse and purpose. Forever plus 14.2 is our love. I love and miss you so very much and know I will see you again. I will take care of our kids and spent the rest of my days trying to make you proud. I love you Nicole Renee!

Losing someone special is a terrible thing to bear! It's the kind of shock for which we simply never can prepare. One moment we are smiling and the next is filled with tears. And losing one we love does not get easier with years. But please remember you have friends to help and ease your way. Who share your loss and care for you far more than words can say.
