William Paul Gorman

DEC 23, 1969 - APR 7, 2022

William Paul Gorman, at 52 years old tragically passed away on April 7, 2022. Paul was born in Cincinnati, Ohio on December 23, 1969. He lived his life unapologetically and did what made him happy. He loved his daughter, Slayer and the Florida Gators more than anything. Paul is survived by his daughter Summer Gorman and his grandchildren Michael C. Parsons and Olivia A. Parsons. He will never be forgotten and will be deeply missed.

"An unforeseen future nestled somewhere in time. Unsuspecting victims, no warning, no signs."

Arrangements are under the care of Page-Theus Funeral Home and Cremation Services, Leesburg.

Condolences to his family/friends for their loss!! I found out this week of his passing, and we lost touch in the 8th grade when he moved to Florida. I met Paul in the 5th grade in Ms. Lane's class. I recently moved to Cincinnati from New York the when Paul and I connected. He was a little rough around the edges, which was similar to me at the time coming from New York. We probably made Ms. Lane question her career choice as a teacher. Also, we played football together for 4 years 5th-grade-thru 8th grade until he moved to Florida. In the 7th grade one play will always stick out to me, Paul grabbed the opposing QB, I broke free and I nailed the QB. We got back to the huddle; Paul had a smile on his face/giggling asking me if that was me? Yeah man, it was me man. Paul was a quality youth football player. Rest easy Paul!

Paul & I grew up on Kenridge Lake, played football together, and were in the same grade at Sycamore. Saddened by the news. Lost touch when they moved to Florida. I trust you are at peace old friend. Dylan

I never met Paul on person but we messaged often and had some great conversations. When they stopped I wondered what happened. I'm so sad to hear of his passing.
