My uncle Ronnie was a father two me! He taught me right from wrong how to stand up for my self! Our life saying was my way or the highway! I'll carry that on for him! Ronnie was a blessing to me. Took my mom in while she was pregnant and helped raise and mentor me when his title was an uncle he went abiogenesis and beyond! Was good to be by his side next to family as he passed when others wouldn't because who was in the room! He may have been an uncle but he was more of a father! I love and miss him every day that passes! We miss you
