Aunt Bev has been good all my life. It was beneficial during childhood to have People who did well as Aunt Bev and everyone else has done. I suppose she will live forever as long we remember her in the stories and memories.

We were sad to hear about Bev's passing. She was a very kind,caring person. We spent a lot of time with her and Don when they were in Baltimore. She loved her family and it was wonderful that she could be closer to all of you.
