Margaret Mary Weinberg

OCT 5, 1935 - OCT 5, 2022

Margaret Mary Weinberg of Leesburg, FL, passed away peacefully at home on her 87th birthday with her beloved husband, Roger, by her side. Margaret was born on October 5, 1935 in Scotland to her loving parents; John and Mary (Melly) Bryceland.

Margaret and her family moved to the United States from Scotland in 1948. She worked as an executive secretary for many years and spent 10 years with the Connell Rice and Sugar Company until her retirement. She met her husband, Roger at the Tower of London, after he bought her an ice cream cone. The adoring couple got married on October 5, 1979 and spent a total of 47 wonderful years together. In 2004, the couple became snowbirds and traveled back and forth from Pennsylvania to Florida until they settled in Leesburg, FL in 2013. While in Florida, Margaret became a devoted member of St. Paul's Catholic Church.

Margaret was a highly intelligent woman, Roger would describe her as a voracious reader. She was a member of book clubs that covered topics like scientific and historical research. She read thousands of books. Up until her 80's, Margaret loved to remain active; she participated in water aerobics and tennis several times a week, and even enjoyed walking three to five miles a day. She was also very social and active in politics among her community.

Margaret was a kind and friendly person, she always had a smile on her face and never met a stranger. She will be remembered and missed by many.

Margaret is survived by her devoted husband, Roger, two siblings: John Bryceland and Dorothy Makfinsky, as well as four step children: Susan Hill and her husband Tom of Far Hills, NJ, Beth Devito and Rich of Mendem, NJ, and Joan Proft and her husband Steve of Mesa, AZ. As well as 13 step Grandchildren and 14 step Great-Grandchildren.

Margaret was preceded in death by two stepdaughters: Carol Carr and Ellen Weinberg.

Saying goodbye is never easy but we live with our memories. I have so many to remember Margaret with. She was a loving friend, always looked on the good side of any situation and dealt with life as a gift as we got older. Nothing stopped her, slowed things down a bit but always had a smile for everyone. Margaret knows her many friends will help Roger continue on. They were truly a very special couple and you could not find two more perfect people to share a life together. May you enjoy your newfound wings, you earned them my friend! Sleep in peace.

Margaret was one of the most well-read women I've ever known. She could always recommend an outstanding book! She married my cousin 47 years ago!!!! She was always cheerful and up-beat and a pleasure to be with. I know that Roger misses her so much and expressed his gratitude for having been in her company for such a long time. May she rest in peace.....Sheila Slutsker

I first met Margaret when we were both having knee replacement surgery. She only lived one street over from me and so we kept in touch. Discussed our knee therapy and general politics of the community. We became good friends who enjoyed each other's company. Lunch was a special treat every once in awhile. She will be truly missed May she rest in peace after her long struggle with some many health problems. "Don't worry, Roger will be fine" Miss you my friend
