Oh Lindsey. I'm so sorry we never got to do that beach day or hockey game. You were such a special person and I was looking forward to spending more time with you. Time that never came. I hope you're at peace my beautiful friend.

Lindsey and I went to the Need to Breathe concert a few years back and had a blast. It was her first time hearing of them. She expressed to me that they became one of her favorites and was moved and inspired by their music. I'm very saddened by her passing. But thankful she is at peace and in the light. Many blessings to family and daughter Sheyanne. ❤️
