Frances Torres

FEB 15, 1961 - NOV 7, 2023

Frances Torres, 62, of Leesburg, FL, went to be with the Lord on November 7th, 2023.

Frances was born to her parents, Jose Torres and Arsenia Colón, in Manhattan, NY. She will always consider The Bronx, NY home, though. After earning her Masters degree, she would work as a social worker for the education system.

Frances loved to travel. She was known for her many adventures to far away places. Any location with a beach, she was ready. She also was a dancer and an animal lover, often taking in special need dogs. But most importantly, her loving family was her top priority. She was often the first one ready to step up and help family members in need.

Frances is survived by her sisters, Freddy, Lucy and Sallie; nephews, Carlos (and honorary brother) with his wife, Ivy, Kiko, Hector, Jose, Pepe; her nieces, Sylvia, Nandy, Mitchell and Lula; brother-in law, Moises; her great-nephew, Joey; her great-nieces, Adrienne, Alessandra, and Alessia; god-daughter, Taina; and, of course, her friends Norma and Millie

Frances is preceded in death by her parents, Jose Torres and Arsenia Colón, and brothers, Jose Torres Jr and Hector Torres.

My Dearest Ms. Torres, where do I begin... Ms. Torres came to my school PS77 in the Bronx. Upon entering the Main Office and introducing herself as our Social Worker. It was instant connection she and I. We became acquainted, work colleagues and soon after she & I became Friends! Francis Bright Smile & Blessing each morning as she entered the Main Office made my day start with Positive Energy. I have only fond memories of this Amazing Soul. It has been my Gift having met, shared daily laughter. My heart was broken when she shared her medical diagnosis. We remained in touch during her illness. My heart was saddened when I heard of her passing. She fought a good fight. Francis mi Amiga, que descansas en Paz. My deepest Condolences to La Familia. Especially Freddy whom I had the opportunity to speak with. No words can express how much I will miss you. Besitos de Coco , Rest In Peace my Beautiful Sonia Colon-Meisinger

Frances and I met in High School. All through high school and college we were inseparable. Frances being the adventurous one and me always the cautious one my role was to talk her off the ledge but sometimes I would jump off with her and how exhilarating that was. Jumping off the ledge helped me become a more confident person and I thank you for that my dear friend. Although our lives took different paths we both became school social workers and continued our friendship into adulthood. Reconnecting whenever I was back in New York. I thank God we were able to spend time together last year. Rest In Peace mi amiguita del alma ❤️ PR
