Lee was the most loving husband that I could have asked for. He had such a good, loving heart and was always willing to help anyone in need. And he loved animals. When he passed away, he left behind 6 cats, 4 ducks, and a wife that loved him with all of her heart. In addition to driving an 18 wheeler, he loved putting together models. He also loved just tinkering around the house and mowing the yard. I'm going to miss him until we meet again. RIP and love my handsome husband.
