As an alumni of Rising Sun High School I have fond memories of Mr. Hall. He was a kind man and genuinely invested in his students. He was an excellent role model and he encouraged us to strive for success. He not only taught us but he showed us how to be upstanding, honorable people. Thank you, Mr. Hall, and may you rest in peace. Much love, Hope Ayers (Class of 1990)##imported-begin##Hope Ayers##imported-end##

Mr. Hall was a genuine, caring man who was always looking out for the best interest of all his kids at Rising Sun High School. He helped me through alot of tough teenage years and i am very thankful for that and for having him as part of my life. I loved his humor it was very quick and witty and always deserving of the smile you needed at the time. I will miss him, but i will be able to take comfort in the fact that he was an important part of mine and many young peoples lives during the times we needed him most. It is a sad time for all who knew him.##imported-begin##Cassandra Taylor##imported-end##

The world was a better place by having Mr. Hall in it. I believe he could help you through anything, big or small, with his big heart, humor, and optimism. His compassion, genuine interest, and presence with "the kids" of Rising Sun High School are the characteristics that made him stand-out from other counselors, coaches, and teachers. He knew our strengths and weaknesses and helped us grow as athletes and people. Even though Mr. Hall was not my counselor on paper or my coach on the field, I was blessed to know him. I am deeply saddened by his passing.##imported-begin##Stephanie Farmer##imported-end##
