To the family of Steve Richey: I remember Mr. Richey as being a larger than life man who lived and enjoyed his life to the fullest. As a former employee of LPGURP, I worked with Mr. Richey and Mr. Beliveau and enjoyed watching him in action during the commission meetings. I know that his family meant alot to him and he considered them his greatest accomplishment. My thoughts and prayers are with you during this time and in the coming days. May God comfort you as only HE can.##imported-begin##Mary Wells##imported-end##

Memories of Steve has and always will bring a smile.Working with Steve, brought pleasure and learning experience. You never knew how he was going to respond to a situation. He always kept his cool, he would let the "opposing team" run with the ball then he would casually step up," snatch the ball", make a home run.(with a sly grin on his face)He has my Respect and my gratitude for the things he taught and didn't know he was teaching.Donna and family, my sincere sympathy for your loss.##imported-begin##Sue Niswonder##imported-end##
