We are so very sorry to loose Ileene. She was such a fun person. I remember when we were little, it was always so much fun if Ileene was around. She could make things so much livlier. And, I really enjoyed spending some time with Ileene when we were in Kentucky for Betty's 80th birthday. Ileene told some funny stories, and made us all laugh. She had not changed in all those years. She still had a way of making it fun to be around her.Cousin Tran##imported-begin##Tranquilla Whitt & Danny Whitt##imported-end##

Losing a loved one is difficult no matter how expected the passing may be. But to so suddenly lose someone who loved life, living, and her family the way Ileene did is simply a shock to us all. I pray that time will help easy the pain of our loss - but never dull the memories of this wonderful person. Let us all make sure Ileene lives on in our hearts and memories, and through the wonderful family she gave life to.With all my love.Your cousin,Doreen##imported-begin##Doreen Charles Luke##imported-end##
