All,Our thoughts and prayers are with you. I remember the early years when the cousins would see each other often and have fun. His passing makes me stop and realize how much we should make an effort to communicate more between friends and family. As we know,the loss of a brother or sister always leaves a void in our heart. He will be missed.##imported-begin##Norm & Tina##imported-end##

To Lorraine,Muriel,Georgie,Arthur,Donny and all those who loved Roland. From NH we send you our deepest symphaty and very heart felt tears and prayers. What a shock when Gerogie called to tell us the news that Roland had just passed away from a major heart attack. We have all grown up. Have all had families and all have gone our separate ways. Most of the time we do not keep in touch as we should, but we are still Family. The days of our youth together are memories that are very precious and are never ever forgotten. The grapevine of phone calls started by Cora,Georgie, Marie,Arthur and Freddy about things going on in the family has passed to a new generation US. It continues to work. We get news of what is going on overall in the whole Family and pass it on to the others.I have a hard time picturing Roland all grown up as an adult,husband,father,grandfather, as we never spent much time together when he was older, or saw him that much. In my mind He is still that skinny little kid that was just always there following us older kids. Always laughing,ready for anything we would try to put him up to, and most of the time succeeding. That is the way I want to remember Roland as a carefree and happy go lucky guy. He is in God,s heaven now and has family there as well. I am very sure He has been well recieved. We know it is not easy for those of you that are left behind. Know that we love you all and you are also in our thoughts and prayers. ALL OUR LOVE, DOT AND MOE##imported-begin##Dot & Moe Couture##imported-end##

It broke our hearts to lose you, you did not go alone, for part of us went with you, the day God called you home. Our family chain is broken, and nothing seems the same, but as God calls us one by one, the chain will link again.All Our Love,Georgie, Muriel, Arthur, Lorraine and Don

With great surprise I heard from Aunt Dot about Roland's passing. It also made me realize how out of touch we all have grown over the years. As we age, we tend to forget the days of our youth growing up together.On the heels of Frank's passing just a few months back, I am reminded how precious life is. And why do I have this persistent vision of Roland seated on a Harley driving up to the Pearly Gates?Over the years I have been expanding the Family Tree, but when it came to Roland, I had a big blank... and that's not right. Could one of you help me fill in the missing data at some point in the next few months?
