Mom, Today marks one month since you went to be with the Lord. It was raining that day, and it's raining today. I love and miss you. I feel at peace knowing you are with the Lord, and I will see you again, one day. Until then, I know I have a very special angel watching over me, and my family. You are the ray of sunshine that peeks in the window in the morning. And you are the brightest star in the sky at night. I love you momma.##imported-begin##Sherry##imported-end##
