we could not have asked for a better uncle or husband to our dear aunt susan. uncle jim was fun, funny, serious, knowledgable and an amazing cook. we enjoyed his personality and his presence at family gatherings in michigan and in maine. it was in maine that we tasted uncle jim's culinary talents and we were delighted with the meal it took him a whole day to prepare. it was a labor of love he said. we cannot believe this handsome man, and this kind person who made our aunt susan so very happy is really gone. god bless you uncle jim. you will not be forgotten and you will always be celebrated and remembered with love and smiles. xo carrie##imported-begin##carrie hall schalter##imported-end##
