David Alan Sprouse

MAR 4, 1963 - MAR 29, 2025

It is with great sadness that we announce the passing of David Alan Sprouse of Leesburg, FL on Saturday, March 29, 2025.

David was born in Gallipolis, OH to his parents, Roscoe and Betty Sprouse in 1963. He would call Point Pleasant, West Virginia home though before moving to Orlando, FL. As a young man, David loved playing football in high school and college alongside his twin brother, both were known as the “Gold Dust Twins”. He attended Concord University until tragedy struck in his home life, with his mother becoming very ill. He ended up leaving school to help take care of mom. In trying times, he did what he could to help others around him.

When asked, David’s family would describe him as humorous, silly, and overflowing with a heart of gold encased in steel. Once you broke through, he was brimming with kindness. They also expressed he was a “Man’s man”. He cherished the small things as one should; for instance, he loved good food, NASCAR, Lynyrd Skynyrd, relaxing after a hard day’s work, tinkering, and building things. He worked his whole life as a carpenter, and there are many home additions such as screen enclosures in Central Florida that he built from the ground up. In this line of work, his daughter describes him as “A Legend”. Not many people can say they left something behind in this world that will remain tall and strong long after they are gone. David can.

David is survived by his wife of 25 years, Alicia Sprouse; his children, Emilee Weese, Austin Sprouse, and William Noe; his twin brother, Daniel Eugene Sprouse; his sister, Cheryl Ann Wasserman; and four grandchildren.

My father was a great man. He was always loved and adored by everyone. I remember for his birthday one year, Bill and I both sang and played one of his favorite songs for him. It was "Simple Man" by Lynyrd Skynyrd. Because of it being one of his favorite songs, is the main reason of why I learned it. I have lots of good memories with Dad. But he is now with grandma and grandpa and his sister Debbie. Give everyone a hug for me Dad. Miss you and will always Love You! Your son, Austin

David was a kind and very loving family man. He worked hard to provide and give his family what they needed. He loved football but Nascar was his favorite with the #3 car Dale Earnhardt being his 1st choice of drivers. He was the first person to ever show me camote juice in beer to make a poor man's bloody Mary and wow it was really good because I never liked beer. I will miss you David God speed until we meet again. Love mom
