Dad,I'm so happy we got to take that trip together across Europe, just me and you. You always knew how to have fun and live life to the fullest. So sad to see you go, but your strength will be a chip on my shoulder for a long time to come. We miss you and love you.Your son,Brandon

I don't even know where to begin with favorite memories of Mark. There are so many wonderful memories. I think the one that I remember the most was when Mark & Cindy along with my late husband Joe & I would go to Summerfest together. Mark was so loved and he will be so missed. My love goes out Cindy and the family. We will always have our memories every time we think of Mark will always bring a smile to my face. Robbin Runtas
