I remember that Jack and a girlfriend took me to a gravel pit to wade in the water and play in the sand. I was around five years old then. Jack would babysit me when he wanted to help Mom out. Mom told me that Jack would walk the floor with me when I was a newborn to give her a chance to get some rest. Jack was a great big brother. ❤️

E M sent a virtual gift in honor of Jack.

BlackJack McCall was his Cowboy Action Shooting name and my favorite memory of him is going to the shooting range with him and he taught how to shoot and we would always see who could shoot the most bullseyes he always kept ever target I ever shot
