“ Denise, I am sorry you lost your mother. I know she loved you very much and you will miss her greatly. I have fond memories of her taking us to the Sparrows Point Country club for her work picnic. She always made me feel like I was part of the family. I am praying for you to have peace and strength at this time. You have my deepest sympathies.

“ We are so sad to hear about Bobbie. She was a loving aunt to us, and I enjoyed talking to her on the phone these past few years she's been in Florida. Ironically, the last time I saw her was also the last time I saw Jeannie. I have a picture of the two of them from the 4th of July, 2000, behind the school where we all met to watch the fireworks that year. I had no idea I would never see them again. To Sonny, Wade, and Deniece, we send all our love and sympathy to you and yours. She will live forever in our memories, and her legacy will be passed on to future generations.

“ Mom, Words can't reveal exactly how I feel at this moment. From the first time we meet, you have always made me feel apart of your family. You welcomed me with open arms, listened to my problems, and help me laught away my concerns. We have shared so many fond memories of diners, chirstmas', uno games, and picnics that I will never forget and always treasure. You never missed sending a card or calling on those special occassions. I will miss those 5:30am Happy Birthday calls. May you rest now and know that you will never be forgotten. I will think of you often and still ask for your guidance. May God be with you and all of us. Your love with stay with me forever.

“ To my Cousins Denise, Wade, and Sonny:Wanted to express the sadness we all feel up here. Nothing but fond memories, even though there aren't enough of them. Life is very short, and time flies. Can't believe it's been so long since those days behind Grange watching the fireworks. Miss you all. Wishing you all peace and pleasant thoughts.... Aunt Bobbie is not suffering anymore. She will be missed. Mom does not have a computer, but she said she will sure miss her 'little sister', and she sends her love. Your 'littler' Cousin,Chris

“ You were a wonderful second mom to me. I have always loved you and you made me smile and laugh at life. You never turned me away when I needed a shoulder to cry on or a place to chill. You put up with our teenage year pranks and nights. When we grew older you always welcomed me into your family. I hate that I can't be there to say good bye for now and hug my best friend, Neicie but I know that you understand. You were a strong lady and someone that I will miss.To Renaine, Wade and Neicie my thoughts and prayers are to help you through the this time and find strength in each other as you have done through the years. You all use humor to overcome and shine bright. You have one wonderful mom who help you see the world with humor and keep pushing when it seems impossible.I will miss her more than words can say.

“ Mom, You are my rock. I love you, miss you, and will cherish every moment I had with you. I could not have asked for a more perfect mother. You were MOM to so many, but I was fortunate enough to have you as the real thing. A piece of me goes with you, as did a piece of you stay with me. Love you more than words can truly say. NeicieXOXO
