“ I send my thoughts and prayers to the O'Sullivan family. My dad William Ladrie worked with Brad at Public service. We also spent time up at Mousam Lake at the John Moores cottages. We all learned to water ski. Will miss Brad. Alan Ladrie

“ My condolences and love to Jan and all the O'Sullivan family. Brad and Jan have been cherished friends for over 50 years. So many fond memories of summer family vacations on Mousam Lake in Maine, fun parties with the KFD, and relaxed times together throughout the years. The door was always open and the coffee was always on. Brad's unconditional love and support has been a blessing through the years. Friends don't come any better than Brad and Jan.

“ Jan,
I am saddened to hear of the passing of Brad. Please accept my condolences to you and your family. Brad and I worked together reading meters for the Electric Co. in Portsmouth where we established a close relationship. One of my many memories is the time at your home in Kittery. You had just made a fresh batch of chocolate chip cookies for your family and Brad I sat in your kitchen and ate the entire jar full.

“ Steve & I are deeply saddened at the loss of my cousin “Uncle” Brad. He was very special to our family. I have so many memories of sleeping over Brad & Jan’s as a kid when we visited family to when I became a parent and my children referred to them as Aunt Jan & Uncle Brad while swimming in their in-ground pool in Rochester, NH. And was further blessed when “Uncle Brad” held one of my grandchildren for the first time. Memories that will last a lifetime and always in my heart
