“ I still miss Cindy. I only knew her professionally... but I trusted her with my vehicles for more than 25 years. She was honest. She was good. And she had more than a lifetime of heartache but still kept a smile on her face. She never complained about her heart-aches but they were bigger than anything that I can imagine. I can't believe anybody would use this page to bash her. Shame on you. I know Cindy is with Our Lord in Heaven.

“ Cindy owes me money. Randy and Cindy screwed me and never finished the job to fix my truck. They say to never speak bad about the dead. I want my money back.
