“ Dear Michael & Family,

Our hearts are broken with the loss of our dear friend, Dora. She was such a special person and brought so much joy to everyone around her. We have so many memories of our times together; especially on our many cruises and our vacations together in Mexico and Austria/Germany.

We like this saying..."Don't be sad that a loved one has passed, but be thankful for the memories you were able to create with them." We are so thankful !!!

Love,  
Paul & Susanne Scaringe

“ My fondest memory of Dora was when Debbie and I were going to college. we got a  
flat tire in the south bronx. The spanish speaking men at the station were discussing  
how they were going to take advantage of the situation. Dora just listened. You  
should have seen their faces when she let them have it in perfect spanish!
