“ Fay was a co-worker, best friend and so much more to me. Linda, you are amazing and thank you for what you're doing now!. I'm so sorry we didn't get to your new home; she told me when we spoke at Christmas, "You better hurry up!" I miss her and thank God she was part of our lives. Tricia Clark

“ Dear Linda, I am sending you my deepest feelings of compassion for the loss of your Mother. As you travel with her today, to take her home to bury her beside her Mother, Aunt Irene, I send you my love and my cheers for what you are doing. This is a very strong thing that you do, as you continue to take good care of her. I am very proud of you and wish you the very best of safe travels. I wish that I could be there, as you bury Faye, but I will be with you in spirit. Lots of love to you, Bonnie Lou, and family.

“Rest in Peace Momma Fay. You were such a pillar in our Hatting groups. Always had a beautiful smile on your face. I loved all the stories you shared with us. I hope that Heaven has your special Peach drink there.

“ So many fun memories shared with Fay & Linda over the last several years!! She was always interested in what was happening at the moment!! She loved piano music & I introduced her to my good friend, Shawn Muir, a blind pianist & she became an instant fan!! I so enjoyed being a part of the Winter Park Red Hat Honeys, where Fay was Queen. Such fun times!! She was always an elegant Lady! So very thankful that Fay passed thru my life as she left
Footprints on my heart!!
