“ Thank you Di for all your help and assistance over the years. How refreshing it is to know that there is someone out there who can be relied upon for honesty, integrity and expert knowledge in such a statistically large breed. I still get numerous enquiries for puppies even though it is 3 years since my last litter and I always refer people to the Wylanbriar site because I know that with you they are in safe hands. I am looking forward to bringing my bitch to the very handsome Tom in a few weeks time and fingers crossed having a litter of the consistently quality pups that your studs have always thrown for me. Thank you again Di and keep up the good work.

“ Oh Di, I have been thinking of you and how you would be feeling with Jade's anniversary. I have now just read your tribute and am sobbing at your loss of such a sweet beautiful girl. Time does help heal but sometimes it is not how long that time will be before you ever feel able to mention her name without the tears being at the back of your words. I still can't quite talk about Max and he has been gone 15 months now. There will only be one Jade BUT at least you can see some of her special qualities in her grand-daughter, which I know is of some help to you. Thinking of you and much love Heidi

“ So our first shooting season has come to an end, one I will never forget! For Bailey and I to be involved as much as we were was absolutely fantastic, it's not really in my character to be satisfied but I could have hoped for little more. So I wanted to thank you for all the hard work, time and effort you put in for us, I'm sure I am biased but he did not look like the youngest dog with the least experience at all! All the training is excellent and your approach, knowledge, patience and above all your commitment is admirable. I am in no way finished but I wanted to say a big thank you for helping me to achieve my first goal and teaching me so that I could see my boy working so well and enjoying every minute.
