“ I am so very sorry for your loss. I am Lenny and Patty Blue's daughter Peggy. Your dad was always full of smiles and laughter. We were all able to spend more time with Uncle Harvey and Ann when they lived between Portville and Cuba for a while. You and your family are in my prayers

“ Mom, dad (Uncle Harvey’s brother Lenny) my brother Lewis and I went to visit Uncle Harvey. He lived on a farm and had chickens. Don’t remember where. We were so excited about the chickens, we each got an egg to try the “hatch”. Aunt Ann got us each a Legs pantyhose egg container. We wrapped our precious eggs in toilet paper and put them in the legs egg container. We just knew we were going to hatch baby chicks. We had a fun visit. But our baby chicks never hatched. Many years later mom confessed they switched the eggs with eggs from the refrigerator. So many wonderful childhood memories. Uncle Harvey was a fun Uncle. I love you Uncle Harvey and I’m so thankful we video chatted and talked this past year. Have a wonderful family reunion up there. I will see you all someday. Love. Your niece Patty
