“ In the fleeting moment that I had the opportunity to meet you, I feel both fortunate and blessed to have encountered such a gentleman and wonderful human being. You may not have known it but you truly did made the world a better place. Warm thoughts and prayers to the friends, family and all who knew and cared about you. Sincerely, George Hill

“ My Dearest Husband. Even though I have not been able to be with you the last couple of years due to spinal disease doesn't mean you were not in my thoughts. I enjoyed talking to you on the phone and the day you passed I told you God was there and to take his hand and go with him. Shortly after that you did. I will cherish the 32 years we had together and there will always be a place deep in my heart that will never forget you. You were my life and I miss you. I will wait for the day when we will be reunited in heaven. Save a place for me. I love you with all my heart and soul. Your wife, Ruth

“ When we first met we weren't on the best of terms, but as time marched on you became my dad. Not just my step dad, but my dad. Then again you were not only my dad, but my fishing buddy and my best friend. I got to experience and see a lot on the trips that you took us on and I learned so much through all the stories you told us. I am so grateful that you were a part of my life and a part of all of our lives. There were so many lives that you touched, just by being you. I'm going to miss you so much, but I know your not hurting any more and your with God. Seems like a great place to be if you ask me. I will keep my promise to you when I'm finally called home.

Find a good spot and save me a place. Keep an eye on Chris for me until I get there.
I love and miss you much...Karen

“ Herb,I'm glad I was there for you, as you were always there for me. You were always more to us than just the average Dad. I was sad to see you go, but am also happy to know that you are pain free now at home with God. You were loved deeply and will be greatly missed. All my love. Pam
