“ Oh my, where do I start? Growing up with this man was full of laughter and tears. He had a wonderful sense of humor. Dad was always very picky about me cleaning my room and boy if my bed was not made by the time he got home from work I was in big trouble. When teaching me how to drive the car into the garage I hit the house instead of driving in.....oh Sh_ _ _! was all I heard out of his mouth. Dad you will be missed and I am sorry for all the trouble I caused you! I will always love you.
