“ It's funny in life how we connect with people. Jon was like another brother. He was a good friend. From bocce ball to golf, from gun ranges to car auctions, Jon could always be countered upon to add his special blend of wit, humor and talent to any situation.

I know with Jon in his presence, the good Lord is, “Busier than a moth in a mitten”, cause ole Jon was, “Tougher than a two-dollar steak”, so the good Lord is probably, “Sweating like a hooker in church.”

Jon always liked those southern, Similes and Metaphors.

We'll see ya again on the other side buddy.
