“ I was so saddened to hear the news about Kyra. I have such great memories of us when we were younger and I will always remember her unique and contagious spirit. She inspired me be more adventurous and to have no fears. I am so thankful for the friendship we had. It will be a different world without her, but I know she has bigger plans in store. She will live on in all of us who love her. My heart goes out to all of her family.

Much love, Shannon Justice

“ Dear Colleen and Stuart, We are sending our love to you and to Kyra's brothers and sister. Our extended TBS family sends our condolences. I remember that Kyra had her Bat Mitzvah lessons just before our son Sam's lessons and I would often see her pretty face as she escaped Cantor's office. Please know we are thinking of you.
Love, Kim Strausser, Mike Miller and family.

“ We send prayers of healing to Kyra's parents and siblings. Kyra was a "regular" at our home during high school and she is one of a handful who traveled to the mountains of NC to visit Bobby in college. Her beautiful smile lingers in our minds which is a blessing, but our hearts ache. Thanking God for her friendship, her love of art and the joy we experienced as a result of Kyra sharing pictures she took during her travels and of the Hudson "group."

“ Dear Colleen and Stu,

It is with a heavy heart that I write this. I read of Kyra's untimely death just now in the Hudson Hub. My heart goes out to you both and to Kyra's siblings, Kyle, Lance and Anika. Having lost two brothers myself in vehicle accidents, I remember the shock and overwhelming grief. I will always remember Kyra playing at the pond, especially when my son Lance was out there fishing. There was a time when she even wanted to marry him, except that she thought Lance would probably marry Brittany Spears. I am filled with sadness for your family.
